PROFILE COMPANY

PT WIRA SARWA ASURYA

about our company

PT Wira Sarwa Asurya is an Indonesian export company committed to delivering high-quality local commodities to the global market. We specialize in premium-grade nutmeg, clove, and Arabica–Robusta coffee, sourced responsibly from Indonesia’s rich and diverse regions.

Our mission is powered by integrity, professionalism, and continuous innovation. We believe that quality is a universal language—and every product we deliver is a reflection of our high standards and deep respect for Indonesia’s natural heritage.

Built on trust and strong collaboration, we manage every step of the export process—from sourcing and production to packaging and shipping—with precision and transparency. We are proud to be a bridge between Indonesia’s finest producers and the world’s discerning buyers.

TEAM WSA

our vision

To become a leading and globally trusted export company in supplying high-quality products through a professional supply chain system and sustainable local empowerment.

our mission

01

To manage the supply chain professionally and transparently from production to delivery.

02

To ensure the consistent quality of local products, certified according to global export standards.

03

To provide accurate, fast, and reliable logistics and documentation solutions.

04

To build sustainable partnerships with farmers and local communities.

05

To optimize technology for project monitoring, tracking, and customer satisfaction.

06

To uphold honest, prompt, and open communication as the foundation of trust with trade partners.

07

To enhance added value through innovation, education, and sustainability.

VALUE COMPANY

At PT Wira Sarwa Asurya, we build our business on four essential values that guide every decision, action, and relationship:

1. **Trust**, we uphold integrity, transparency, and consistent communication to earn and maintain the trust of our global partners.
2. **Professionalism**, we are committed to delivering high-quality products, on-time shipments, and clear documentation with excellence at every level.
3. **Smart Innovation**, we embrace practical innovation that improves our operations, ensures product traceability, and increases customer satisfaction.
4. **Sustainability & Local Empowerment**, we empower local communities, support smallholders, and commit to environmental and economic sustainability in everything we do.

These values are not just ideals—they are the operational DNA of our company, shaping how we grow, serve, and lead in the global market.
